Applicants seek amendment to the specification to correct a minor typographical error in the CROSS REFERENCE TO RELATED APPLICATIONS and in the Application Data Sheet. In so doing, Applicants seek to perfect the claims to priority, and to ensure that the priority claims accord with the declaration filed in the present application. Hence, these amendments do not introduce new matter. This amendment to the priority claims is within 4 months of filing and, hence, is proper under 37 C.F.R. § 1.78.

Prompt and favorable consideration of this Supplemental Preliminary Amendment is respectfully requested. Applicants believe the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
